To whom it may Concern:

As Admin Manager for Scorpion Legal Protection. I frequently purchase printed stationery in bulk orders for our active base of +-450 000 customers

As a loyal customer of Mailtronic Direct Marketing, we are overjoyed to find Mailtronic Direct Marketing as our preferred supplier.

Their printing jobs are of the top rate and their level of customer service is outstanding. I love the fact that I have a dedicated Mailtronic Direct Marketing account representative rather than having to call their office.

They have always been very responsive to my requests, and have really gone the extra mile to ensure that our printed stationery products needs are met. We have been working with Mailtronic Direct Marketing for the past 15 years.

Based on my experience with Mailtronic Direct Marketing, I am confident that you'll have a positive experience

I would highly recommend Mailtronic Direct Marketing as a one stop shop for various item (Envelope, Brochures, Policy Book, Newsletter, Calendar, Letterheads, and Bulk Mailing)

Yours Sincerely

Phumudzo Makhari
